

In May 2006 a special fundraising night was staged at Illingworth CC, with guest speakers Gary Fellows (right - ex-Illingworth CC, Yorkshire CCC) and Robin Smith (left - former Yorkshire CCC chairman). All proceeds from the evening went to the Cricket Heritage Project. The evening included a cricket quiz, pea-and-pie supper and auction, plus interviews and Q&A sessions with Gary and Robin.

The bulletin board contains several documents and notices:

- ICC PLAYER OF THE MONTH AWARDS:** A central notice with the ICC logo and text regarding the awards.
- Cricket Night:** A poster for a cricket event with details on date and location.
- Schedules:** Several tables and lists, likely representing match schedules or tournament details.
- Notices:** Various official notices and announcements, some with logos.
- Yellow Labels:** Several yellow labels are pinned to the board, some with text like 'Cricket Night' and 'ICC Player of the Month Awards'.
