PAUL WOMERSLEY

A Wainstalls stalwart, Paul played a major role in modernising the Club and masterminded the project that ended with the Club opening a new pavilion building in 1995.

Paul played for the Club, held a variety of administrative roles, and also penned the Club's Golden Jubilee history in 2000. For many years he also acted as Chairman of the Halifax & District Amateur Cricket Association.

WONDER WOMEN

'May I take this opportunity to thank all members who have helped in any way during the course of the year with any matter. To my Mum, Sue and Doris Shaw who have made and sold sandwiches and buns and catered for the tastes of everyone including visitors to the Club, our reputation for providing excellent fayre is well known throughout the League.'

Paul Womersley, Secretary's Report,
2000 AGM

'I would like to start on a personal note. On behalf of all the family, may I take this opportunity to thank the members and friends of Wainstalls Cricket Club for their cards, expressions of sympathy and donations that we received on the passing of my Mother on Thursday 8 November 2001. Also to the fitting tribute paid to her by those who attended both the Chapel of Repose and Park Wood. The donations received for the special appeal fund have amounted to over £450.00. It had always been the intention to purchase something as a lasting memorial and after discussions within the family we have decided to purchase a special arthritic seat on to which a commemorative plaque can be placed. We feel that the best place to site this seat is here at Wainstalls Cricket Club where she spent many happy hours not only working for the good of the club but also watching the game of cricket. On behalf of us all, thank you.'
