

£170,000 TURNOVER

Mick Ellis on the club as a small business

Kids from the local estate will come and play cricket and football on the ground at night. We'd like them to play cricket for Birstall eventually! And we've got plenty of junior teams: Under-9s, Under-11s, Under-13s, Under-15s and Under-17s.

We also do our bit in the community. We have friendly games against local pubs and also raise money for Kirkwood Hospice.

The club is a significant business. We're open seven days a week and our annual turnover is around £170,000. At the moment I'd say we're not making money but neither are we losing it!
