

## CLECKHEATON CC

# WELCOME TO MOOR END

Cleckheaton Cricket Club, together with Cleckheaton Rugby and Bowling clubs, form Cleckheaton Sports Club at Moor End.

Cleckheaton Sports Club can be reached by the M62. It is located just off the busy roundabout at Chain Bar.

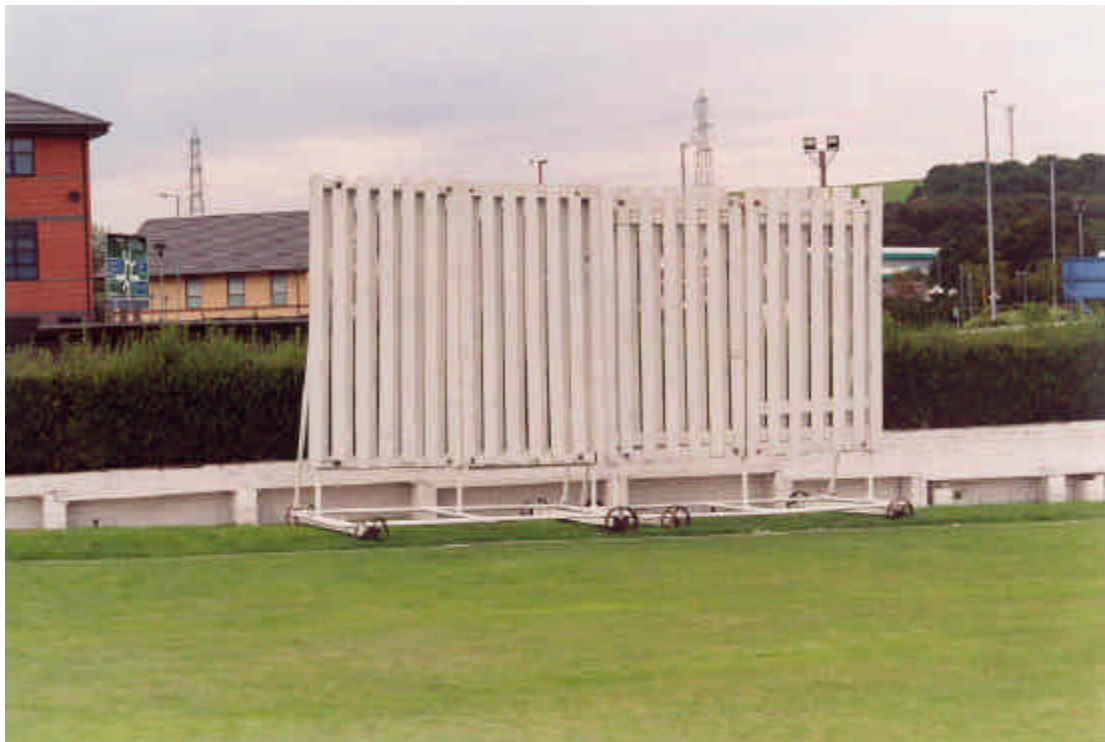

It acts as Cleckheaton's Rugby Union headquarters as well.

The scoreboard is an important place...

...and the sightscreens help the batsmen to 'see' the ball better.

The pavilion is located adjacent to the bowling green, and is extremely welcoming, with a large, spacious bar.

On a nice day, the benches outside the pavilion provide a prime seating area for spectators.

There are other interesting views at the ground.

The upkeep and presentation of the playing area is a key concern for all cricket clubs. The groundsman is a very important person!
