DEWSBURY.

Dear Mr. Lodge,

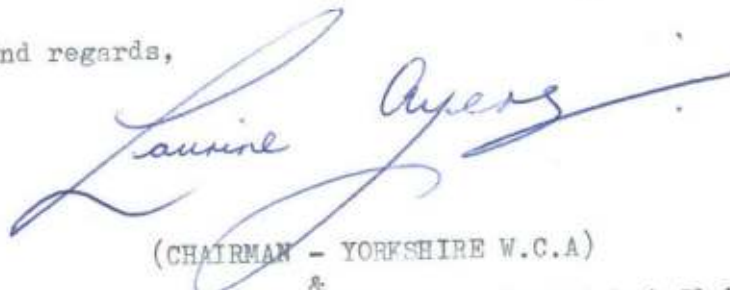

Would you please be so kind as to accept my sincere and very genuine thanks on behalf of the above Association and in particular my home club (Wakefield Women's Cricket Club) of which I am proud to be Captain, for the 'right royal' manner in which we were treated at your club on Sunday, 4th June, 1972.

We were indeed privileged to play on your beautiful little ground, and the tea put on by the ladies was truly magnificent. After the match was over the courtesy continued to extend from your Vice President and his good lady and far from rushing us away from your club and its facilities we were in fact encouraged to enjoy them - and this we did.

I hope that members of your Committee, the Ladies Tea Committee and your Secretary will be good enough to accept my thanks, and I hope you and the supporters of the club enjoyed watching our cricket as much as we enjoyed staging the match on your ground.

Once again many thanks.

Kind regards,

(CHAIRMAN - YORKSHIRE W.C.A.)
&
(Captain - Wakefield Women's Cricket Club)
