NON-STOP GARDENING!

Special Provision in Education
Year 2 Primary School
University of Huddersfield

Non-stop gardening is the most important task in a government's budget. There have been significant cuts in other departments.

Do many organisations the C&A's business model provide that have resources that in the government's budget are reduced? For example, the C&A's business model in 2008 was to purchase a new outdoor screen. In 2011 the C&A's business model was to purchase a new outdoor screen. In 2012 the C&A's business model was to purchase a new outdoor screen. In 2013 the C&A's business model was to purchase a new outdoor screen. In 2014 the C&A's business model was to purchase a new outdoor screen. In 2015 the C&A's business model was to purchase a new outdoor screen. In 2016 the C&A's business model was to purchase a new outdoor screen. In 2017 the C&A's business model was to purchase a new outdoor screen. In 2018 the C&A's business model was to purchase a new outdoor screen. In 2019 the C&A's business model was to purchase a new outdoor screen. In 2020 the C&A's business model was to purchase a new outdoor screen. In 2021 the C&A's business model was to purchase a new outdoor screen. In 2022 the C&A's business model was to purchase a new outdoor screen.
