

Mirfield CC - 2007 AGM

Mirfield CC announced their plans for the future at their AGM on 25 January.

One of the main developments to come out of the meeting was the creation of a social membership at the club. The new membership will cost an annual fee of £6 and will be for those without player membership who wish to use the Memorial Ground clubhouse.

Also, it was resolved that all current club officials would remain in post, while Kevin Bell was welcomed in as cricket chairman for the 2007 season.

Time was taken to remember club legend Hurst Barber and tea lady Mavis Birch who both passed away in 2006.

During the meeting Clive Brook addressed the need for the club to continue in its drive forward, and urged Harry Lime to build upon its reprieve from relegation last season.

He also took the time to praise the football team for a fantastic season as well as the people who have been working behind the scenes, such as the caterers, committees and sub-committees.

Speaking about the recent acts of vandalism that have occurred at the clubhouse over the past year, Clive stated: "We must show more resolve than them. We must win or the town will lose an important facility."

The AGM was held at the Memorial Ground and was led by President Clive Brook, while Pat Neal recapped the details of last year's AGM and treasurer Steve Kirkby went through the club's finances over the past 12 months.
