RAVENSTHORPE C.C.

Club captain Bill Hankey broke his own club record in the Yorkshire Century 12 hour event on Sunday. He finished 5th with 241.4 miles (three miles better than his previous record), and won third handicap prize.

Although Hankey lost about four miles in the first 25 miles, he gradually built up a speed of 30 miles per hour. In the Heavy Woolen Combine a few weeks ago he increased his record from 235 to 238 miles.

Arthur Pirth, also competing in the 12 hour event, was pipped on the post by Bill Hankey for the third handicap. He had covered 231 m. or 15 miles better than his Heavy Woolen Combine ride. This is his first season of racing since returning from Hong Kong.

Sunday's weekly club run was incorporated with the race and the majority of members went to Aine for lunch.

At a military whist drive at Taylor Hall community centre on Saturday Mr. H. Hemmings was M.C. Prizes were won by Madames L. Hirst, E. Hirst, A. Hallas and O. Wood.
