Dear P J Davies

My name is Michael Wood and I am the Chairman of Thornhill cricket section. We have seen your green leaflets and I believe you have got information from various quarters already. I have been involved with Thornhill for nearly 30 years. If there is anything you would like to discuss with me that will not be a problem..here's a few little points of interest for you to follow up if you want.

A man called Paul Brook was involved for many years when thornhill were a good side and he would be able to tell you some real tales.

I had a cricketer called Jatin Paranjape from India who won the CYCL batting averages with an average of 123 runs. I have his medal at home to prove it.

He stayed at my house one season and I had nine of the Indian touring team also staying at my house. These included Tendulkar, Kumble and Camble and many more.

We have got a fantastic stainless steel full-size bat in our clubhouse, which is well worth taking a look at. It is very heavy and was made by a Mr Lister who has only one arm. It is our players' player trophy and is updated each year.

We have a great man who rings the local church bells, who has done a book on Thornhill, and has done for years. Herbert Wood, no relation. Spooky!

The 2nd team won a cup recently, well mid-1980s, nothing before for a while, and nothing since, possibly may have photo.

Hope this may help. If you need a place to launch this event I'm sure we could help. If there is anything I can do not hesitate to ask.

Yours sincerely
Michael Wood
