

CARTWORTH MOOR C. C.

This newly-formed club was worked with such success last season, that it warrants the committee in turning out a card of fixtures for the ensuing season. Last year the team were under the disadvantage of not having a laid ground, but this is now overcome. This season, those clubs journeying to the heights of Cartworth Moor will find a very suitable field in every respect. Considering the scattered population in this district, it is remarkable that two teams can be gathered together; but such is the case. Owing to various circumstances, the club have wisely refrained from arranging for a large number of matches, but for another season, the committee hope to be prepared for a match every Saturday in the season, As will be seen, the opening match is not until the 25th inst.
