

# EARLY YEARS

## OPENING UP

The club was opened at a meeting on 24 February 1887 at the House and Crown Inn by members of the cricket club, Messrs. Clark with Charles Matthews as the guest.

# BATTLE OF THE KIRKS

1887 Play played a fixture against Edlington. Games were also arranged against other local teams: the Club of Kirkstall, Featherstone, Sheffields, Barnsley, Huddersfield, and others.

# TOP OF THE TREE

1887 Play played a fixture against Edlington. The club played in the Yorkshire League and the Bradford League.

# LATER YEARS

# BLAZE HORROR

The Club's cricket pavilion burnt, losing many of its fixtures and essential equipment was completely destroyed by fire on 2 July. Great efforts were made by the League President, Herbert Robinson, to raise support from many quarters - and the ground was used for the season as a result.

# SILVERWARE JOY

1884 The 17th Annual AGM passed the Silver Cup (Heating Equipment) on the motion that it should be bought. Although there were the inevitable problems of funds through winter, a number of new members joined the Club members - including some who went on to serve on the committee.

# MOVING MOMENT

The Club moved to current venue, St. Mary's Lane, opening with a game against Featherstone, on 20 April. Ground improvements were begun for same year.
